Dear Annette;

Thank you for the follow-up - as we have come to expect from you and REMAX, we are more than happy with all the service that you provided us.

From the beginning we knew that we had made the right decision in deciding that you would do the best job for us. It was obvious that you would go the "extra mile" to have a good outcome and we were very comfortable following your direction. We especially appreciated your efforts in researching the "value" of our unusual home and were absolutely amazed at your marketing skills.

We would recommend your services to anyone wanting a first class job of selling their home. Additionally, we would stress that they "listen to Annette" and even in a "Bad Year for Real Estate", REMAX will do the job.

Thank you again for all your efforts,

Ken and Nancy
