Gary,

It was great to hear from you yesterday. As promised, attached is a copy of a business card of Ms. Annette Holt, a top real estate agent in our area, that could assist you in your house search in the Triangle. I have known Annette for a long time and is the agent we call first when we have general real estate questions or opportunities. Annette is based in Cary but has a very broad understanding of the entire Triangle.

As an added bonus, Annette's husband is a banker with Crescent State Bank (of which I am on the advisory board) and one of my favorite commercial lenders. Consequently, if you have any banking questions I am sure Annette or Larry could refer you to the proper people.

I look forward to seeing you at the game on Saturday and maybe we can make plans to get together for dinner on Sunday evening in Cary. Go Hokies!!

Best regards,

Randy
